

# Documents You Should Never Shred

by Annie Margarita Yang

In my latest video, I went over how to organize your personal finance documents. My system is completely paperless, but here is a list of documents you should never shred.

- Academic records (Transcripts, Diplomas, Certifications)
- Adoption Papers
- Bankruptcy Documentation
- Birth Certificates
- Car Titles
- Citizenship Papers
- Death Certificates
- Deed and Mortgages
- Divorce Certificates
- Driver's Licenses
- Estate Planning Documents (Wills, Trusts, Health Proxies, etc.)
- Immunization Records
- Loan Payoffs
- Marriage Certificates
- Military Service Records
- Passports
- Social Security Cards
- Vehicle Registrations
- Anything With A Raised Seal
